### 第1部

#### No. 1

How much will it cost to send this letter to Mexico?

Do you want to send it by airmail?

Yes, please.

1 It'll be one dollar and twenty-five cents.

2 It took about six days.

3 We sell postcards, too.

#### No. 2

Hi, Dean.

Hi, Laura. That's a really nice sweater. I've been looking for one like that.

I got it at Super Shirts—the new store next to the pet store.

1 I already have a pet.

2 I bought the same sweater.

3 I'll go and have a look.

#### No. 3

Hello?

Hi, Mrs. Adams. This is Eric. Is Cindy there?

Hi, Eric. Cindy isn't home. I think she went to the mall.

1 OK. I'll buy it later.

2 OK. I like to go by bus.

3 OK. I'll call her on her cell phone.

#### No. 4

Excuse me. This is the airport lost-and-found office, right?

Yes, that's right.

A few minutes ago I left my umbrella in the ladies' restroom, but now it's gone. It's long and blue.

1 OK. Just let me check.

2 Yes. It's probably going to rain.

3 Sure. I can change your reservation.

#### No. 5

Anna, did you finish your math homework?

Almost, Jason, but I couldn't do Q: 12.

You couldn't? I can help you with that one if you want.

1 It was really easy.

2 If you don't mind.

3 I finished last night.

#### No. 6

Bonnie, I can't go to swimming practice today.

Could you tell the coach?

Why can't you go, Fred?

I have to go see the dentist.

1 Practice has started.

2 I'll let him know.

3 The pool is closed.

#### No. 7

I'm looking for a computer game for my son.

It's called Space Race.

I'm sorry, but it's sold out. That game is really popular right now.

When will you get more?

1 Space Race is a fun game.

2 It's in the computer-game section.

3 They should arrive next week.

#### No. 8

Sally, I heard you and John are going hiking this weekend.

Yeah. We're going on Saturday. Do you want to come?

That sounds like fun, but are you sure the weather is going to be OK?

1 Yeah. I checked the weather report.

2 Yeah. It's closed on Saturday.

3 Yeah. We're going to the beach instead.

#### No. 9

Do you want to try that new sushi restaurant for lunch, Frank?

Sorry, Jane, but I don't really like sushi.

What would you rather have?

1 I ate lunch at twelve o'clock.

2 Anything else is fine.

3 That sounds perfect.

#### No. 10

Harrison Department Store.

Hello. I bought a suitcase for my wife at your store, but she says she doesn't need it. Can I return it?

Yes. You can return it if you have a receipt.

1 Great. I'll bring it back tomorrow.

2 It's a very nice suitcase.

3 The store is still having a sale.

#### No. 11

I'd like this shirt, please.

All right, sir. That will be 17 dollars. Would you like to pay with cash or by credit card?

Cash. Here you are.

Sorry, sir. This is only 16 dollars. I need one more dollar.

Q:: What mistake did the man make?

### No. 12

Thank you for washing your dishes, David.

But please clean your sister's dishes, too.

But, Mom, Alice didn't put her dishes in the sink, so I didn't wash them.

Well, she's a lot younger than you. You have to help her sometimes.

OK. I'll wash them now.

Q:: Why does David's mother say David should help Alice?

### No. 13

Hello, Ken? This is Betty. I want to talk to you about what your son did.

Oh, no. What did he do?

He was playing baseball in the street, and he broke one of my windows.

I'm sorry. I'll pay for it to be fixed.

Q:: What did Ken's son do?

### No. 14

Go to bed, Bart. It's getting late.

I can't, Mom. I have to type my report.

Didn't you finish your report yesterday?

Yeah. But I had a problem with my computer, and I lost the file. I have to start all over again.

Q:: What does Bart have to do?

### No. 15

Hello. I'd like to apply for a job here.

Well, the manager's out to lunch. But you can fill out this application form and come back in 20 minutes.

OK. Where can I fill it out?

Please use that table over there.

Q:: What will the woman probably do next?

### No. 16

Greg! You've got to come over to my house after school today!

Sure, Chelsea. But why are you so excited?

My grandmother sent me her recipe for

cookies. Do you want to make them together?

OK. If they taste good, we can make some for our friends, too.

Q:: Why is Chelsea excited?

### No. 17

Excuse me. I need a ticket to Seattle. I have to be there before two o'clock for a meeting.

Would you like a ticket for the express train?

It'll get you there by twelve thirty.

That's perfect.

All right. It's 30 dollars. Your seat is in the first car.

Q:: What is the woman doing?

### No. 18

Hi, Joanne. Have you talked to the French exchange student yet?

No. But I saw you talking to her at lunch, Carl.

Yeah. She's really friendly. She told me a lot about her country.

I'll talk to her tomorrow. I'm really interested in France.

Q:: What does Joanne say she will do tomorrow?

### No. 19

Hello. Fabio's Pizza. How may I help you?

I'd like to order a large sausage pizza with extra cheese, please.

All right. And we have a special offer this week, ma'am. When you buy a pizza, you get a drink for free.

Really? Thanks a lot.

Q:: What is the special offer this week?

### No. 20

Look at my Christmas present, Karen. Santa brought me a toy car!

Well, my present is much better than a toy car. I got a doll!

Dolls don't do anything. Cars are fast and exciting.

Dolls are exciting, too. I can put pretty clothes on them.

Q:: What are the two children talking about?

## 第3部

### No. 21

Sally is studying at art college, and one of her

classes is photography. Once a week, the students show their latest photographs to each other in class. Yesterday, Sally took black-and-white photographs of some buildings in the city. She will show them in class tomorrow. She hopes that the other students will like them.

Q:: What is Sally going to do tomorrow?

### No. 22

Sharks have interesting teeth. They grow in rows. Whenever a shark's tooth falls out, a new one is always ready to replace it. New teeth continue to grow throughout a shark's life. People, on the other hand, stop growing teeth when they become adults.

Q:: What is one thing the speaker says about sharks' teeth?

### No. 23

Good evening, everyone. Thank you for attending the Parkville High School graduation ceremony. In a few minutes, the school band will play for us. But before that, Mr. North, the school principal, will say a few words to this year's graduating class. Please welcome Mr. North.

Q:: What will happen next?

### No. 24

Martha is 72 years old. She stopped working seven years ago. In the summer, she likes to take care of her garden. In the winter, she enjoys reading books. Every day of the year, Martha walks 2 kilometers around her neighborhood. She is healthy and enjoys her life.

Q:: What does Martha do every day?

### No. 25

Nina plays the flute. She is in her high school orchestra, and she practices every day at home. But recently, she has been thinking about starting to learn another instrument. She is interested in jazz, and she would like to be able to play the trumpet.

Q:: What has Nina been thinking about doing recently?

### No. 26

Shingo is studying English in Canada for a

month. He is living with a Canadian host family, and he loves the food his host mother makes. Before he leaves Canada, he plans to ask her for some of her recipes. That way, he'll be able to make some of the dishes for his parents when he gets back to Japan.

Q:: What is Shingo going to ask his host mother to do?

### No. 27

Good morning, shoppers. Thank you for coming to Green's Department Store. On the fourth floor, we're having a sale on men's summer clothes. All T-shirts are 40 percent off. Also, on the fifth floor, there's a 20-percent discount on some sporting goods and camping equipment. Thank you.

Q:: What can shoppers do on the fourth floor?

### No. 28

Masaki has just started his first job, and he has been working hard. But he enjoys his free time on the weekends. On Saturday, he usually sleeps until noon and then meets his friends in the afternoon. On Sunday morning, he goes to tennis school. In the afternoon, he stays home and reads or watches TV.

Q:: What is one thing that Masaki does on Saturdays?

### No. 29

The sea between Britain and France is called the English Channel. At its narrowest point, the English Channel is only 34 kilometers wide, and people sometimes swim across it. The first man to do this was Matthew Webb in 1875. He swam from Dover in England to Calais in France in 21 hours and 45 minutes.

Q:: What did Matthew Webb do in 1875?

### No. 30

Takeshi is learning to drive. For the last few months, he has been taking driving lessons after his college classes. Next Saturday, he is going to take the test to get his license. Takeshi is a little nervous about the test, but he thinks he will probably pass.

Q:: What is Takeshi going to do next Saturday?
